OFFICE OF THE EXECUTIVE BOARD. DEMOCRATIC AND CONSERVATIVE PARTY, MEMPHIS, May 11, 1878. The Executive Board of the Executive Committee of the Democratic and Conservative party of Shelby county, hereby call a Convention, to meet in the city of Memphis, at the Exposition Building, on THURSDAY, JUNE 13, 1878, at 11 o'clock, for the purpose of nominating cand dates for the following offices:

SATURDAY, JUNE 8, 1878, for the purpose of electing Delegates to said Con

for the purpose of electing Delegates to said Convention.

The Executive Board cannot too earnestly impress upon every voter who is willing to co-operate with the party the necessity for vigilance, harmony, and concert of action.

The public offices are open alike to all, and every citizen has the right to resort to all honorable means to secure his advancement to any position, civil, judicial or political, to which he may aspire; but, at the same time, it behooves a party that claims the public confidence, and that expects to maintain its ascendancy, to put forward as its representatives only its best men.

Never before was there a stronger necessity imposed upon the Democratic and Conservative party of Shelby to exhibit the utmost fairness in its action and to defer to the popular will in the selection of its nominees; hether this will be done or not, depends mainly upon the manner in which the Primary Elections are conducted.

If all good citizens and the substantial business men of the city and county will consent to attend these primary elections, and exercise their influence in the selections of delegates, we may confidently hope for a convention whose members shall be the unbiased representatives of the public interests, whose appearance will satisfy the people that they are not gathered together as the champions of particular individuals, and whose action will secure harmony, give satisfaction and insure success.

The primary election will be held by a committee of five in each district and ward, to be appointed by the Executive Board. The election will be by ballot, and the poics will be opened in the city at three o'clock p.m. and close at six o'clock p.m.

The sub-committees appointed, the number of delegates apportioned to, and the places of holding the elections in the wards and districts are as follows:
